

# Glorifying God by building laborers on the campus for the lost world

The Elams

## Jon & Tathiana Elam

We served in Belo Horizonte, Brazil for 20+ years. Our bicultural family felt right at home in Brazil. Jon served in multiple roles, including Campus Staff, Resource Director, and Area Director. Tathiana worked alongside campus teams and served in our hub-church.

In 2023, we relocated to Birmingham, AL and will use our experience, gifting, and wisdom gathered from the field to support even more CO regions and staff with Campus Outreach SERVE. Jon is engaging in media and communications for the ministry's internal and external publics while also assisting international field teams with operations and resourcing.
